### “Year's Best Syrah”

Over the last 12 months, *Wine & Spirits* tasted 371 Syrahs. The following 54 wines received the strongest praise from our critics:

#### **2003 Wildcat Mountain Vineyard Syrah**

“Oak leads this syrah toward chocolate flavors, while the fruit provides a lot of complexity along the way. It feels spiked by crushed green peppercorn spice and a character that recalls agave-like desert plants. It also feels generous, the fruit surrounding all those edges.”

**91 Points!**
